

## **Week 1: End of week email**

Dear All,

It was lovely seeing some of you in the tutorial just now. Thank you for engaging with it - you all gave us much to discuss and think about. Those of you who couldn't join in the discussion will find the recording on Blackboard (under the tutorials tab, click on the 3 horizontal lines on the left hand side of the central header).

Have a good weekend and I'll look forward to seeing you next week.

Best Wishes,

XXXX
